MVR May Event

NOON Sunday the 15th of May

We are going for a ride in the Illinois country side and lunch at City Limits Saloon. We will be meeting at Thoms Proestler (now Performance Food group) for a noon departure on Sunday the 15th of May. Our drive will take us out Turkey Hollow road South and East to Coal Valley and then back to Rock Island around One. Lunch will be at the City Limits. A call or an e-mail to me for a head count would be wonderful. After lunch there is an Ice Cream Social at Immanuel Lutheran. They are celebrating their 150th anniversary (I think) and have asked for some old cars to stop by. Hope you can make it. This is for everyone, but especially the older cars.
Thanks.... Jess Hansen

From Your President

Wow the car season has started out with a bang. It was so great to see the 27 cars trail ahead of me on the April Tour. It is impossible to take a picture and drive at the same time but it was a great sight winding through the countryside. Thanks to the Sabbe's for arranging the event. It was a great start to the season.

Between the National and our club, I am meeting myself going and coming. Two weeks ago I was in Charlotte, NC for a National Board of Directors meeting. It was 43 degrees when I flew out of Moline and 89 degrees with 100% humidity when I landed. That was quite a shock. Good thing our meetings were inside. There are lots of things on the National table which I hope will materialize in the future. On Friday night we were the guests of the Hendricks. They took us through the Hen-

dricks Museum, which is arranged like a story of his life. He has found his first car, the car he drove when courting his wife, and everything in between. The conference table is glass and resting on a restored Corvette chassis. I don't think there is any room for another car. He is a huge family man and when each of his grandchildren were born, he purchased a new Corvette so their birthday and the production date of the car was made was the same. The experience was outstanding. Last weekend I was in Auburn, IN for the National Special Spring Meet at Auctions America. It was a great show. Lots of cars that went through the auction and 235 cars on the show field. On Friday night there was a free Blues Brothers concert which was great. A nice addition to the meet. Even a free bar all sponsored by Auctions America. There is always a flea market and car corral. If you haven't attended, make it next year. A great venue with lots to do.

Next weekend is another great next tour. After that is it Indianapolis for two weekends in a row. The first a Pace Car Reunion and the second the race. Car season is certainly on a roll for me.

Hope to see you soon.
