August 2022

The 2022 Central Fall Nationals hosted by the MVR is in the history books. It was a great show and I hope you all had the chance to come down and see the cars.

To our members that were on the planning board and those that showed up to volunteer at the show, I wish to express my sincere thanks. It is because of your efforts that the show was successful.

A detailed show report will be included in the September Autograf.
