From Your President

With this issue of the 'Autograf' you will notice a change. Although our former Editor Gary Wright did a wonderful job when he had time to do so, to keep us well informed we needed something to come out regularly. Something you can depend on at a regular basis. That said we welcome back Jim Scott. He has agreed to again publish our monthly newsletter, with only December the month when you will not receive one. That being said, if you want to publish something in the 'Autograf' please get it to him no later than the first Wednesday of the month. That is our Board of Directors Meeting and he will be publishing shortly there after. We owe Gary Wright a big thanks for all he did with the 'Autograf'. Since we will be getting info out every month, there will be no additional mailed reminders, so mark your calendars.

Now let's see what's been going on, I missed the last event. I was sitting in 93 degree heat watching the Indianapolis 500. There was some cloud cover and a bit of breeze and a really good race. Yes it is on TV, but the TV just doesn't do it justice. Sitting almost on the start/finish line, it's just fantastic. I got back from Indy on Sunday and took off for Greensburg, PA for the Annual Grand National. They had 504 cars registered but because of iffy weather, there were 64 no shows. Cars were absolutely fantastic with a good variety from old to newer. The muscle car class was probably one of the largest. Really spectacular show of autos. Venue was OK but could have been better. Weather was a temperature of 82 but the humidity was 100 percent so it felt wet. Thursday there were tours of members car collections and they were

very impressive. Friday I they sent us to see the Frank Lloyd Wright Falling Water House. What a setting and modern for 1935.

Hope to see you all at the FREE pancake breakfast coming up on Fathers Day June 17th. We will be flipping pancakes from 8 to 10:30. Hope to see you there. Remember free to anyone in your household, \$5. for guests, \$3 for kids, \$3 for those 5 to 12 years, and free for those under 5. OF COURSE WE CAN ALWAYS USE HELP! Please help when you see someone who needs a break. It takes a whole club to make a successful event.

See you soon.

Mary B
