From Your President

Today the sun is shining after so many days of rain I've lost track. This weekend was beautiful and last weekend was a complete wash out for the NFL Football Draft. It would have been an excellent way to get our club some recognition. Hopefully this is not an omen of weather to come because we have a lot going on. So many people that I talk to don't know that there is an Antique Automobile Club in the Quad City area. We need all of you to help get the word out.

May 11th is our first tour to Kalona. Jim and Bev Smith have a scenic route for us to travel and lots of places to stop and shop.

June 1st - for those not attending the Grand National in Auburn, IN there will be a car display in Andover, IL. We will meet at Southpark at 9:15 and proceed to reserved parking in Andover. If you need more info contact John Brewer at 563-325-2111.

June 16th is our Annual Father's Day Pancake Breakfast at Ben Butterworth West Shelter, 5201 Old River Rd, Moline, IL. Again this year members are free, guests \$5, kids under 12 \$3. The shelter has remain fairly dry only the road in was covered with water. Watch for email updates or if you want to be called with an update, let me

know. Thanks to Clair Pearson for the arrangements.

July 12th we are hosting the National Collector Day Scholarship Cruise-In with United Township High School. We will be cruising from Bettendorf, hopefully down river drive to 4th St in Davenport, across the Centennial Bridge to Rock Island, winding up the hill to Avenue of the Cities, culminating at UTHS where there will be a silent auction, door prizes, music, and a concession stand. If you don't want to cruise, just come to UTHS 1272 Avenue of the Cities, East Moline, IL 61265. Admission is donation and all proceeds go to a scholarship for a students continuing education in the automotive field. Something I'm sure we know we will all need in the future if our collector cars to stay on the road. We will need help so plan on attending.

July 28th we have a Sunday afternoon drive arranged by the Gleason's. Watch for details.

September 21st and 22nd is our Fall Tour. Yes September! There are more weekends free in September than October and hopefully the weather will cooperate.

October 5th we have the Illiniwek Park Shelter, Hampton, IL reserved for a Cookout.

Don't miss out - join the fun.

We had several locations for the Fall Banquet mentioned. John Brewer will be checking out the Moline Viking Club about available dates in November.
