From Your President

HAPPY NEW YEAR!

Yes the Mississippi Valley is starting off this year with a very brief newsletter. Why? The Scott's have retired. We desperately need someone or a group of people to take over the "Autograf". The Scott's will send out the completed electronic newsletter so all that has to be done is put it together. Jan helps by giving the minutes of the last meeting. You are stuck with me writing a President's Column, and there is always a monthly event to capitalize on. If we could get our members to submit something just once a year we would have more than enough to fill the pages. We have over 150 members, surely someone or a group of someone's can get this accomplished. The "Autograf" is the glue that holds up together.

First lets thank the Brewers for arranging and decorating for the Banquet. The Scott's for helping us find the great entertainment. It was great as usual. So far we can't beat the price for the meal and location. For once the snow waited until the next weekend. Great time had by all.

Our Board of Directors Meeting was very productive with chairman for all the months except August. If you have a great idea for August, you don't have to be the chairperson but it would give us some help. The Board of Directors works hard to provide for your motoring pleasure, please give them the support they deserve.

We again have our display at the QCCA Expo Center Annual Rod and Custom Auto Show, January 22nd, 23rd, and 24th. Friday is Military Day when all military, active, reserve, or veterans get in free. We can always use help at our information table. Thanks to the Etheridge's and Jim Conrad for supplying vehicles.

I am off to the National Meeting in Philadelphia in February. If you have questions that you want answered by the National now is the time. I seem to have an inside track for the moment.

Hope to see you at the Machine Shed January 30th at noon.

Mary B
